hänt's Nestli gebaut.

1. On the hillside, with the birdies,
I had sat me for to rest,
They were singing and a-springing,
Each building its nest.

2. In a Garte bin i g'stande,
Ha de Imbli zugeschaut;
Hänt gebrummet, hänt gesummet,
Hänt Zelli gebaut.

(Jodler)

2. In the garden, where the bees are,
There I tarried for a spell,
They were humming and a-thrumming,
Each building its cell.

(Yodel)

3. Uf de Wiese bin i gange,
Lugt i Summervögle a;
Hänt gesoge, hänt gefloge,
Gar z'schön hänt's gethan.

(Jodler)

3. In the meadow I was walking,
where the hummingbirds be,
They were flying and a-prying,
'Twas pretty to see.

(Yodel)
