When batting with a Loco, Screwball, NJWA, or GTSOH bat (all the same barrel), the best way to increase your batting average is to:

Please choose only one answer:

- Pack the bat with a ton of newspaper or foam packing peanuts
- Turn the narrow side of the bat forward to maximize the surface of the barrel
- Constantly remold the bat so that it never gets a flat side (personal preference really)
- Turn the flat side of the bat forward to maximize the surface of the barrel
- Practice less

Author: Sean WiffleBoy

If you're facing a pitcher that is really shutting your team down offensively, one of the many ways to beat him with your Wiffle IQ is to:

Please choose only one answer:

- Tip your cap and go practice some more
- Pick one pitch that he is throwing consistently, memorize his delivery, and yet never swing at that pitch
- Swing at everything because he probably doesn't know what he's doing
- Give up ASAP
- Try your hardest to make contact so that his ball gets worn down and breaks soon

Author: Sean WiffleBoy

You're pitching well in a really big game. An opposing veteran player wiffs at a pitch and yells "I REALLY WANT THAT PITCH BACK" after you blow a riser right by him. What he's really saying is:

Please choose only one answer:

- "I REALLY WANT THAT PITCH BACK"
- "Wow! I have no chance of hitting that pitch, I must bluff my way to success"
- "I wonder if the tolls to get home are going to keep increasing?"
- "What am I doing?"
- "That was a good pitch, gotta tip your hat and keep trying"

Author: Sean WiffleBoy

It's late in the game and you're accuracy is starting to slip on the mound. You keep missing the zone by mere inches and you notice that that batter is really acting peculiar. He's throwing the ball back to you quickly, has incorporated a big leg kick into his load time, and is acting all aggressive at the plate (yet he's not sqinging). The batter is clearly trying to:

Please choose only one answer:

- Stall for time so that you don't have time to reset on the mound
- Be patient but he simply cant lay off all of your wild pitches
- Prove his dominance because he know's that he's starting on everyone's fantasy wiff team this week
- Prove that he is a very manly athlete
- Rush you, throw off your rhythm, and/or amp you up so that you walk him and tilt mentally

Author: Sean WiffleBoy

The opposing pitcher was just clocked at 102 and has an ego the size of your high school catchers bat bag. You notice that he's grooved 2-3 risers in a row to each of your teammates, relying on his pitch speed to get outs. In order to beat him with your bat you should probably:

Please choose only one answer:

- Grab a lawn chair and call it a day because those risers are on fire
- Grab a shorter bat for more bat speed
- Grab a thicker bat for more drag time
- Grab a longer bat to stand back away from the big slider
- Grab the league president and inquire about the leagues drug enhancement policies

Author: Sean WiffleBoy

One of your teammates couldn't make it today, so your #2 pitchers are playing as a 2-man team at a big tournament. You're pitching, but positioning your teammate in the field is key. In this situation the best choice of action is to:

Please choose only one answer:

- Adjust your teammates fielding location based on the position of the sun, moon, whatever
- Have your teammate alternate between infield and outfield at random and maybe you'll get lucky
- Always have your teammate play the infield since the majority of hits are ground balls
- Adjust your teammates fielding location based on the situation as well as what you both know of the other teams hitting tendencies
- Always have your teammate play the outfield since the majority of hits are fly balls

Author: Sean WiffleBoy

You're playing the left side of the infield in a championship game. Your team also has a pitcher and one outfielder in left field. The fences are around 90 foot by 105 foot by 90 foot approximately. Your team is up 1-0 going into the last inning, when a towering fly ball is hit into left field. It's going to be close, you outfielder is at the fence, you should probably:

Please choose only one answer:

- Grit your teeth and hope for the best
- Shout "YOU'VE GOT ROOM" when your teammate is pressed up against the fence
- Circle behind the pitcher and scream loudly
- Pray, wish, hope, whatever
- Literally run into left field as fast as you can since the outfielder might toss the ball back over the fence to you to complete the out

Author: Sean WiffleBoy

And finally, a freshly cut or scuffed Wiffle®Ball will be more susceptible to:

Please choose only one answer:

- Breaking, folding, and cracking
- Flying further because they've been aged
- Re-smoothing back into a brand new ball
- Tacoing because of heavy bat caps
- Less movement because the cuts are fresh
