Author: Madison Christian

Which of the following statements is not true of secular music in the Middle Ages?

Please choose only one answer:

- Knights were able to gain great reputations as musical poets.?
- The medieval jongleurs, important sources of information in a time when there were no newspapers, were accordingly ranked on a high social level.
- Some 1,650 troubadour and trouvère melodies have been preserved.
- While the notation does not indicate rhythm, it is likely that many of the secular songs of the Middle Ages had a regular meter with a clearly defined beat.
